

September 2008 Ped Bag Coin Drive Challenge

Junior and General Clubs are challenged to collect coins through the month of September to fund one or more pediatric bags for an ambulance(s) that has not been adopted by a GFWC-WI club.

Announce the Ped Bag Coin Drive Challenge in your September meeting announcement flyers, invitations and newspaper announcements. Collect coins at your meeting from attending members, prospective new members, friends, neighbors, etc.

Bring your collections to Junior Fall Conference at the Germantown Library on September 27, 2008. Or, Clubs not attending can mail a check made out to GFWC-WI EMSC to Paula Schlice, 2315 Conant Street, Stevens Point, WI 54481.

Together, all our little bits of change can make a difference in saving children's lives.

The club delivering the largest collection will receive a car emergency first aid kit and will be announced in the next Clubwoman.
