

# Arts LIVE! Manikin Contest

This year I am excited to announce the GFWC-WI Special Members Art Contest will be Arts LIVE! Manikin Contest. Each club will receive one manikin to decorate that fits into President Nancy Dickman's emphasis Arts LIVE! If band is your thing, turn your manikin into a marching band member complete with instrument. Like dance? How about creating a ballerina? Or maybe theater is your jam; transform your manikin into a character from Macbeth? The possibilities are endless.

## The Rules

- The contest is open to all dues paying clubs of GFWC – Wisconsin.
- Each club will be provided one manikin to decorate. If a club wants to enter more than one, they are responsible for the purchase of additional manikins.
- You may decorate your manikin any way you want. Paint it, sew a costume for it, sculpt it or carve it. Your imagination is your only limitation.
- Please make sure it remains on a stand or it is posed and can stand up on its own. We will not have extra stands at convention.
- Each entry shall have the entrant's club name, email address, phone number, district name and a brief description clearly printed on its entry form.
- All entries will be checked in at the same location as the member arts contests.
- Entries will be on exhibit and auctioned during the State Convention. Viewing and live auction will be posted at the convention.
- Entries will be auctioned off live by our very own GFWC - WI Director of Junior Clubs, Suzanne Hooser during the Convention. Please see the call for further details.
- All funds raised will be donated to President Nancy Dickman's Arts LIVE! project.

Good Luck!
